

Junior High (7th & 8th)

Ski Trip

Sponsored by:
Gilbert Lutheran Church

Mt. Kato
Friday, February 10th, 2012

All 7th and 8th grade students are invited to join us for a fun day of skiing, food, and fellowship! We will leave at 8:30 AM on Friday, February 11th and be back between Midnight and 1AM.

Invite your friends! **Deadline for reservations is Sunday, February 5th**. A \$25 non-refundable deposit is due at the time of sign up! The base cost is \$65 and includes pizza, pop, and transportation. Additional costs are listed below. Please mark the additional costs that apply to you and add up the total cost. Also, please note if you will be bringing your own equipment.

*All first time skiers & boarders must take lessons! Within an hour you will be a trained, safe skier or boarder!

Tubing will be available from 5PM to 8PM for \$18. There is no lift ticket needed for tubing. However, we strongly encourage that you do not plan for Tubing to be your only Ski Area activity! We will be at the ski area for several hours and you will be bored if all you have planned is tubing! Take a lesson and learn to ski or snowboard! Bring friends, games and books!

Also feel free to bring along snacks for the trip. There is no noon meal provided. You might want to bring along a bag lunch or \$\$\$ for snacks/quick stops. Pop is provided on the bus for 25c.

8:30 PM - load bus and travel back to Gilbert
12:30 AM on Saturday - arrive back at Gilbert Lutheran Church

Adults!

Chaperones are needed for this trip! You do not have to be a skier/boarder to chaperone. It works best if we can have at least one person to stay at the main lodge. This provides a "home base" for our kids so that they can leave belongings in a safe place, and so that they can have a place to hang out if they don't ski or board or tube (some kids just want to hang out with their friends, play games, etc.). It is also good if we have 2 or 3 chaperones who do ski or board. These adults can keep track of our kids on the slopes and help if they have any issues with equipment, lifts, etc. If you are interested, please contact Delayne Stokke:
