

Gilbert Lutheran Church Proudly Presents:

Senior High Ski Trip

Afton Alps

February 10th-11th, 2012

Join us for two great days of skiing, games, shopping, and Christian fellowship! We will leave GLC at 8:45AM on Friday, February 11th and return to Gilbert by 4:30PM on Saturday. Invite your friends!

Base cost is \$75 and includes transportation, pizza and pop on Friday night, plus breakfast on Saturday morning. Additional costs are listed below. Please mark the additional costs that apply to you and add up the total cost. Also, please note if you will be bringing your own equipment. We will ski Friday afternoon & evening and then journey to Woodbury Lutheran Church for games, fellowship, and food. On Saturday morning we will eat breakfast at the church and then head to the Mall of America for a few hours! We will arrive back in Gilbert by 4:30pm Saturday.

Tubing will be available – 3 hours of tubing for \$18. There is no lift ticket needed for tubing. However, we strongly encourage that you do not plan for Tubing to be your only Ski Area activity! We will be at the ski area for several hours and you will be bored if all you have planned is tubing! Take a lesson and learn to ski or snowboard! Bring friends, games and books!

The deadline to sign up is Sunday, February 5th and a \$25 non-refundable deposit is required at that time! NO FORMS WILL BE TAKEN AFTER THE DEADLINE!!!

*Please bring a sleeping bag, pillow, toothbrush, towel, etc. There are showers at the church. You are encouraged to bring along snacks and drinks for the trip. There is no noon meal provided either day. You may want to bring a sack lunch for Friday, and some extra \$\$\$ for snacks/quick stops and for the Mall of America on Saturday. Pop will be available on the bus for 25c.

Adults!

Chaperones are needed for this trip! You do not have to be a skier/boarder to chaperone. It works best if we can have at least one person to stay at the main lodge. This provides a "home base" for our youth so that they can leave belongings in a safe place, and so that they can have a place to hang out if they don't ski or board or tube (some youth may just want to hang out with their friends, play games, etc.). It is also good if we have 2 or 3 chaperones who do ski or board. These adults can keep help our youth if they have any issues with equipment, lifts, etc. If you are interested, please contact Delayne Stokke:
